

NAME: _____ Per: _____ DATE: _____

NCAA CORE GPA CALCULATOR

Worksheet A

Calculate a Core GPA using either your own grades (or some hypothetical grades if your teacher gives them to you). Also consult an NCAA *GPA to ACT/SAT* chart to determine what ACT/SAT score you need to get, based on what your core GPA is.

<u>Courses</u>		<u>Term Grades</u>				<u>GPA Points</u>
English	1					
	2					
	3					
	4					
Math	1					
	2					
Science	1					
	2					
Additional Math, English, or Science	1					
Social Studies	1					
	2					
Additional courses in any of the above or foreign language	1					
	2					
	3					

Total GPA Points =	
Divide by number of scores	
Core GPA =	
ACT/SAT Score Needed :
